USB 3.2 Gen 1 Portable Hard Drive AC233

1. Product Introduction

Apacer AC233 defines speed and fashion for external storage. Compatible with USB 3.2 Gen 1 Super Speed specifications, AC233 delivers incredible data transmission performance. Users can save plenty of waiting time for transferring large sizes of files especially for portable usages. Though with transmission speed sacrifice, AC233 is also backward compatible with USB 2.0 specifications.

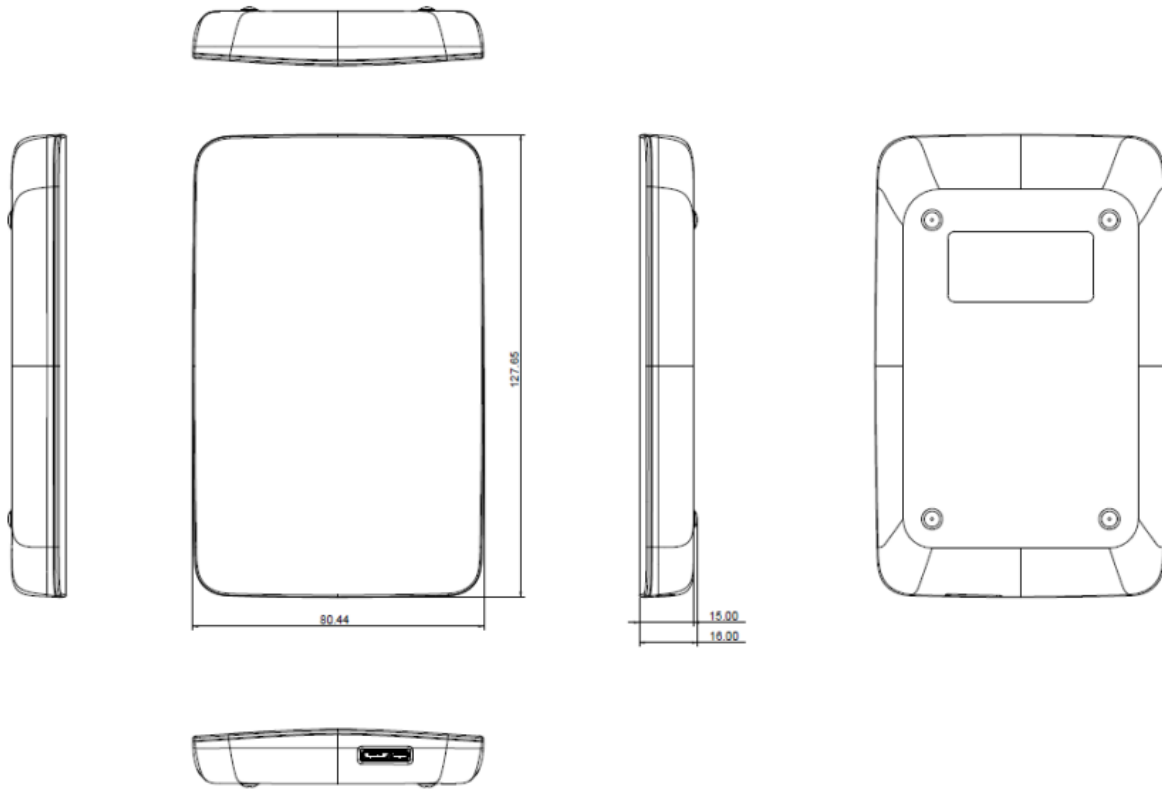

AC233 also comes with fashionable appearance. Designed with polished finish and mirror-like surface, the portable hard drive conveys unique and fine enclosure. There are 4 little pads on the bottom of the device for anti-slippery purpose, providing better stability in use. With its physical design, AC233 is definitely the peripheral companion for desktops, laptops and ultrabook. AC233 is available in 1TB, 2TB and 4TB.

2. Features

- SuperSpeed USB 3.2 Gen 1 (USB 3.0) and backward compatible with USB 2.0
- Incredible data transmission speed up to 5Gbps
- Fine enclosure with polished finish and mirror-like surface
- Dual LED indicator
- Plug and play
