USB 3.2 Gen 1 Military-Grade Shockproof Portable Hard Drive AC633

1. Product Introduction

The AC633 2.5" portable hard drive features the new SuperSpeed USB 3.2 Gen1 standard with military-grade shockproof protection and business style design.

AC633 presents supreme taste of classical and sporty design with top standard the U.S. military-grade shockproof standard (MIL-STD-810G 516.6 Procedure IV: transit drop test), it is the best companion for professional users to keep their valuable documents free from any outdoor harsh environments. AC633 is equipped with USB 3.2 Gen 1 interface, high-level of anti-shock protection and capacity to meet high-end consumers' needs.

AC633 unique internal suspension structure can reduce vibrations while minimizing the impacts caused by accidental movements. With thorough rubber coverage at the exterior, AC633 can withstand spraying water and dust. No matter encountered rain or dust, it can easily handle these situations.

Available in 1TB, 2TB, 4TB & 5TB. AC633 supports the Plug & Play function and can easily handle large files like 4K videos, multimedia files, and various documents; it is also a perfect booster for ultra-thin laptops, which usually have limited memory storage. A reassuring 3-year warranty is in place guarantee the best of storage experience for all users.

USB 3.2 Gen 1 Military-Grade Shockproof Portable Hard Drive **AC633**
